Dear Mr. Schlosser,

Herewith JSC "Polotsk-Steklovolokno" is happy to use this opportunity to thank you for your cooperation and support.

Our company with its half-a-century history holds a strong position in the worldwide market. We supply our products to more than 45 countries throughout the world. We pay special attention to advertisement and strengthening of our image in the world markets. We choose only high quality advertising articles and reliable suppliers. One of the major advertising tools for us is our participation in the International specialized Trade Shows such as JEC Europe in Paris and Techtexil in Frankfurt. A high-quality beautiful booth is the major element for a commendable representation of the company with a high image at the Exhibition.

This is the reason why we choose your company! Your works always mean challenging, individual, stylish design; high quality materials; perfect work management; prompt decision-making.

We will be happy to continue our cooperation with you.

Wishing you success and new challenging ideas for your works!

Best regards,

I.G. Zalessky
