Dear Mr. Schlosser!

Federal Budgetary Organization “Federal Railway Transport Certification Register” thanks you and your team for the wonderful job you did on the Innotrans-2016 Project (September 20-23, 2016, Berlin, Germany). We especially appreciate the decoration of our exhibition space which attracted the constant attention of visitors. We were also delighted with perfect accomodation and professional organization of various on-site services, which made the work of our representatives at the fair comfortable and enjoyable.

We expect our further cooperation.

Kind regards,
Head
